CLIENT SURVEY RESULTS

In 2022, 211 clients provided feedback about Street Health services. The opinions and suggestions provided by clients help direct Street Health's planning. We are deeply grateful to everyone who took the time to complete a survey and to the University of Toronto students who supported the survey process.

Join Street Health on February 25, 2023 for Coldest Night of the Year!

Our annual winter walkathon in support of people experiencing homelessness.

We need your help to reach our goal of $50,000.

You decide how you want to participate. Walk with...

- Street Health staff to learn more about the community we serve
- Your own team in a location and time that works for your group
- Just yourself! Set yourself a goal and reach out to your family and friends to raise much needed funds. Walk your walk and don't forget to let everyone know your doing it for Street Health.

Don't delay! Sign up today at: Toronto Sherbourne - **cnoy.org/location/torontosherbourne** as a Team Leader or a Walker.

Be a Team Leader and reach out to your network to encourage others to fundraise and join you. Be a Walker and get your friends to donate in support of your walk. If you have questions or need more information call Cathy (x 229) or Michael (x 274) at 416-921-8668.

Please join us and make February 25 the day you walk to support healthcare that is free of barriers, judgment, and stigma. Your efforts will have a huge impact on people who are experiencing homelessness or lack secure housing.

The Embrace Action team at Fairlawn Avenue United Church have developed sharable letter templates demanding action by provincial and federal leaders on the poison drug crisis.

The tragic loss of life we are continuing to see in Toronto and across the country must be addressed by all levels of government to create the solutions that can end this tragic loss of lives.

The letter templates and contact details are available at: **www.fairlawnchurch.ca/respond-odcrisis/**

Fairlawn Avenue United Church has been a vigorous ally in the fight to end overdose deaths and advocate for changes to Canada's antiquated drug policy. Please join Fairlawn and Street Health by sending your letter today.
